Letter of Welcome

ESSO Golden Ring

Ringette Calgary

It is that time of year again where, on behalf of the Ringette Calgary Association, I welcome participants to the 32nd annual Esso Golden Ring Tournament. This year also marks a special occasion - the 40th year of Ringette Calgary. As such, our theme for the tournament is "A Celebration of Ringette Calgary's 40th Season." This of course does not take away from the importance of a weekend of team work, sportsmanship, competition and friendship. Once again we welcome 187 teams representing 4 provinces and countless cities. All of you, like the many thousands before you, will be part of a fantastic 3 days of competition.

Ringette Calgary would like to acknowledge and thank Imperial, our major sponsor, who have provided their exceptional support of Ringette in Calgary for more than 30 years. A special thanks as well to our many other sponsors whose support is also critical to the success of this tournament.

In order to host a tournament of this magnitude, a countless number of people have to dedicate their spare time, planning and organizing many months out. We cannot say enough about the efforts of the Tournament Committee and the many Calgary Ringette community volunteers prior to, during and after this tournament weekend. If you see one of our volunteers at the rinks please take a moment to acknowledge their outstanding contributions by extending a 'thank you' or a smile.

To our referees and minor officials – thank you! Without you the games do not happen. We appreciate your commitment to the sport as well as the athletes and want recognize your effort and ongoing dedication to ringette.

Thank you to all the parents, family members and coaches. Please share your enthusiasm and love of the sport for all players on the ice. Make their time on the ice their best ever.

To all of the players participating in the tournament – HAVE FUN! You are ambassadors for the sport and your efforts on and off the ice will be an example for those considering ringette as their winter sport of choice. Play with passion and respect for your opponents. Make some new friends, enjoy all that Calgary and our neighboring communities ha to offer, and of course play hard and have a successful tournament.
See all of you at the rink!

Tournament Committee

Esso Golden Ring

A Message from the Chairperson

It is a great pleasure to welcome you all to the 32nd annual Esso Golden Ring. It is hard to believe we are already more than midway through the 2017-18 Ringette season, but we know that once we turn the page on the holidays, it is time to focus on preparation for the highlight of our season, the Esso Golden Ring.

This year we are privileged to be hosting 187 teams, almost 3000 athletes, over 150 officials, and scores of parents and fans from all over Canada. As you can imagine, a tournament of this size has many moving parts and requires an extraordinary amount of volunteers - a huge thank you to our dedicated Organizing Committee and the hundreds of volunteers you will see in all the arenas over the next three days.

We have had some sad losses in the Ringette Calgary Community since the last tournament and wish to acknowledge Marlene Jensen, a long-time EGRT Volunteer and Committee member, who passed away on June 16, 2017. We also want to remember with love, Jenna Sauer, a dynamic and resilient young Ringette player who tragically passed on July 25, 2017. We know that both Marlene and Jenna loved the Esso Golden Ring Tournament weekend and their presence will be felt at every game.

We are very proud to be hosting three Open AA (NRL) games this weekend between Calgary RATH and Manitoba Intact. If you are able to catch a game or two, the speed and finesse of these players is definitely something you don't want to miss! Check out the NRL game schedule on our website for more information.

Of course, it would be impossible to host another Esso Golden Ring without the generous sponsorship from our major sponsor, Imperial. We are honored to have the opportunity to work together with Imperial to host the world's largest Ringette tournament and hope to continue to do so for many years to come.

I encourage you all to enjoy every minute of the 32nd Annual Esso Golden Ring and to play hard, cheer hard and create some amazing memories.

Celebrating Ringette Calgary's 40th Season

In the early 1970's the game of Ringette moved its way into Alberta (specifically Sherwood Park, Spruce Grove, Lacombe, Leduc, Edmonton). Ringette didn't filter to Calgary through our northern neighbours, rather it seems to have been introduced through 3 separate individuals who organized Calgary's first ringette teams in 1977. There is no record that these three teams played each other in their first season – from research it appears as though they didn't know each other existed.

Our Founders

Don Henderson attended a business conference in Montreal and while there stumbled upon someone who was involved in Ringette. Don decided he would get more information and start up a team with his 13 year old daughter and some of her friends. Don acquired a rulebook, and in the fall of 1977 organized and coached a team in Thorncliffe.

Don sat on the Ringette Calgary Board in 1978-79, 1979-80, and 1984-85

In the 1980-81 season, Don along with John Morcom created Calgary's first Rep teams – one at the Junior level and one at the Belle level.

Don passed away in 1994.

1993-94
University of Calgary scholarship was renamed to the "Don Henderson Memorial Ringette Scholarship"

Frances Willis also heard about ringette and sent away to Ringette Canada for a rulebook. She organized and coached a team in University Heights/Triwood which included her daughter and friends.

Frances sat on the Ringette Calgary Board in 1978-79, 1979-80, 1980-81, 1981-82 and 1988-89.

In 1979 she was responsible for starting the Calgary Booster Club Ringette School - the first ringette school in the province.

In 1983-84 Frances became the first Calgarian to serve on the Ringette Canada Executive, holding the position of Treasurer. She also worked with Linda Tippin to create a beginner program for Bunny aged players.

She was recognized for her ringette involvement by the Calgary Booster Club in 1986 and inducted into the Alberta Sports Hall of Fame in 1994. Her involvement and enthusiasm with both the grassroots and the Rep program in Calgary was significant - as a committee member, coach, manager, role model and mom.

Frances passed away in 2005

The first meeting of the "**Calgary Ringette Committee**" was held on January 25, 1978. It was not until February 22 that the Executive was appointed, and the **Calgary Ringette Association** was given its formal title.

Bud Cadman moved west to Calgary and found that there was no ringette in his new community. He told his neighbour (**Shawn Curran**) about this great game that his daughter had played and convinced him to help form a team in Lake Bonavista.

Shawn coached the Lake Bonavista team in its inaugral season of 1977-78. He sat on the Ringette Calgary Board in the 1981-82 Season and has coached teams at many different levels over his long Ringette career including his daughters and grandaughters teams.

Shawn was the recipent of the Bow View Brian Hendricks Memorial award in 2004 for his exceptional contribution to the sport and the Bowview association.

Shawn remains active in the Calgary ringette community.

1987-88
Calgary Ringette Association was renamed to Ringette Calgary Association.

In the early years there were no sticks made specifically for Ringette. Players used cut off hockey or broom sticks and painted them red (Defense), blue (Forward) or white (Center)

1986-87

Calgary Ringette passed a motion in September 1986 stating that only "TUBE TYPE" skates may be used to play ringette (no picks allowed).

1987-88

Ringette Calgary made it mandatory for all players to wear neck protection.

1997-98

Ringette Canada made it mandatory for all participants to wear a "Ringette" facemask

1988

New coaching requirements were introduced to receive certification for full Level 1, Level II and Level III. It was no longer possible to obtain practical certification by simply acting as a coach or assistant coach.

The first Level 3 Technical Coaching course was held in August of 1989.

1988-89

In an effort to have consistency across the country, Ringette Alberta announced that teams in Alberta would follow the new guidelines set out by Ringette Canada. This meant that our rep teams (formerly "A") would now be called "AA", and our former "B" teams would be considered "A", and former "C" teams would become "B" level

1989-90

New Ringette Canada Rulebook included changes to wording for personal fouls, penalties and violations. The addition of the a 30 second time out, a penalty shot for deliberate illegal acts preventing a scoring opportunity, and a maximum number of team staff on the bench (4). Members of Ringette Canada voted against the proposed rule change which would allow teams to pull their goaltender.

Modifications for the Active Start and U10S1 & U10S2 Divisions

Active Start Division will follow Ringette Calgary policy:

1. A maximum of 1 coach from each team is allowed on the ice and must wear skates and CSA approved protective head gear.
2. Games will be full ice with referee(s).
3. Blue lines will be worked in, but not strictly enforced.
4. Time will be posted on the scoreboard but scores will not.

Tie-Breaking Rules

Round Robin Team Standing Rules

POINT STRUCTURE - Teams receive **2 points for a win, 1 point for a tie,** and **0 points for a loss**. At the completion of round robin play, teams will be ranked according to the total points in all games played.

Breaking of Ties in Team Standings

Note: Regardless of game score, only a SEVEN goal difference will be credited in applying these rules.

When two or more teams have an equal number of points after round robin play, the teams will be ranked according to the following rules:

A. In cases where the tied teams have played an equal number of games against each other, the **winner of more game(s) between each other during the round robin** will be declared the highest position.

   i. if still tied, teams shall be ranked according to the difference between goals for and against **in games between the tied teams in round robin play**. The team with the **highest positive difference** shall be ranked highest, the team with the second highest positive difference shall be ranked next, the team with the third highest positive difference shall be ranked next, etc.

   ii. if still tied, teams shall then be ranked according to the **least goals against** in games **between the tied teams** in round robin play. The team with the **least goals against** shall be declared the highest position, the team with the second least goals against shall be next, the team with the third least goals against shall be next, etc.

B. If still tied, teams shall be ranked according to the difference between **goals for and against in all games played in the round robin**. The team with the h**ighest positive difference** shall be ranked highest, the team with the second highest positive difference shall be ranked next, the team with the third highest positive difference shall be ranked next, etc.

C. If still tied, teams shall be ranked according to the **least goals against in all games played in the round robin**. The team with the **least goals against** shall be declared the highest position, the team with the second least goals against shall be next, the team with the third least goals against shall be next, etc.

D. If still tied, teams shall be ranked according to the **highest ratio** of goals for divided by the sum of goals for plus goals against for games **between the tied teams** in round robin play. The team with the highest ratio shall be ranked highest, the team with the second highest ratio shall be ranked next, the team with the third highest ratio shall be ranked next, etc.

E. If still tied, teams shall be ranked according to the **highest ratio** of goals for divided by the sum of goals for plus goals against **for all games** played in the round robin. The team with the highest ratio shall be ranked highest, the team with the second highest ratio shall be ranked next, the team with the third highest ratio shall be ranked next, etc.

F. If still tied, teams shall be ranked according to the **least total penalty minutes** for all games played in the round robin. The team with the least penalty minutes shall be declared the highest position, the team with the second least penalty minutes shall be next, the team with the third least penalty minutes shall be next, etc.

G. If still tied, teams shall be ranked according to the **time required to score their first goal** for all games played in the round robin. The team scoring the earliest goal shall be ranked highest, the team scoring the second earliest goal shall be ranked next, the team scoring the third earliest goal shall be ranked next, etc.

H. If still tied, teams shall be ranked by a coin toss.

NOTE: Each step of the tie breaking rules shall apply to all teams involved in the tie.

ie. According to rule B, the White team has a difference of 5 goals, the Red team has a difference of 3 goals and the Blue team has a difference of 2 goals. White team shall be ranked highest, Red team next and Blue team shall be third among these tied teams.

If three (3) or more teams are involved in the tie, the tie breaking procedure shall only revert to A if teams are still tied after the application of subsequent rules. ie. According to rule B, the White team has a difference of 5 goals, the Red team and the Blue team are still tied at 3 goals difference. White team shall be ranked highest, revert to rule A to break the tie between the Red & Blue teams.

"WILD CARD" teams are determined by using the round robin standings (and tie breaker rules if required) to find the highest place team who did not qualify as 1st or 2nd in their pool.

Breaking of Tie Scores in Games

- If a **ROUND ROBIN** game is tied at the end of regulation time, each team will be awarded **1 point**.

If a **QUARTER, SEMI or FINAL game** is tied at the end of the second half:
*The **referee** will determine how much time is left on the permit and determine what step of overtime will take place.*

If the referee determines that time permits teams will play a "**four on four**" (plus a goaltender) **5 minute stop time SUDDEN VICTORY** overtime period:

- Penalties assessed in regulation time shall carry-over to the overtime period, if a team has one player serving a penalty, regular Ringette rules will apply and only 2 players will be allowed in the defensive zone. Possession of the ring will be determined by a coin toss.

If the referee determines that **time does not permit for an overtime period** OR, if **no goals were scored in the overtime period,** the winner of the game will be decided by a **Shoot-Out**:

- If an overtime period did not take place, a coin toss will determine the order of the shootout. The winner of the coin toss has the choice to shoot first or second. If there was OT, the team that lost the coin toss for OT will have choice to shoot first or second in the shoot-out.
- Coaches will have 2 minutes to produce their list of shooters (including all skaters on the bench)
- Penalties do not carry over into the shoot-out.

Shoot-Out Procedure:

3 players for each team alternate shots. The winner is declared to be the team with the most goals for 3 players. The shootout will end if it becomes impossible for one team to score sufficient goals to tie the other team.

If it is still tied after 3 shooters from each team have shot, teams will continue one shooter at a time until a winner is determined. No shooter may shoot again until all players have shot. A winner is declared when one team scores and the other does not in sudden victory format.

* **If at any time during the shootout the referee determines there is no more time left on the permit and no winner has been determined, a coin toss will determine the winner.**

Time-Outs:

Each team is entitled to:

ONE 30-second timeout per regulation game
ONE additional 30-second timeout in overtime.
